hi barb,  
please search for 10019832,  
seq id no 1, nucleotides 36-1171.

please also do an oligomer search for nucleic acids of 15 nucleotides or more of from nucleotides 36-1171. please limit the search to records which contain sequences of 5000 nucleotides or fewer. within this set, please print all hits of 15 nucleotides or more, or if this is too many please print the first 500.

please return results on disk.

thanks.
